Accommodation

The accommodation is surprisingly spacious and open, with excellent head height in the main cabin area. She has a large v-shaped double berth which is over 8ft in length.

The saloon seat also converts to make another 2 berths.

Remarks :

A rare opportunity to purchase a true British classic, the Hunton Maverick 34. Designed by Jeff Hunton and built in Hampshire. Hunton Powerboats are known for their racing heritage that spans more than three decades, with countless championship wins.

Hunton is the brand for those that know and appreciate high performance, luxury and Powerboats!

This vessel have been loving looked after by her current owner, who in 2008 had a full engine overhaul and rebuild carried out.

She has also had an LPG conversation done too.

From this point she has had very little use and has been stored at the Drystack inside.
