Accommodation

Caroline has two berths ,heads and galley.

Remarks :

Caroline is a sturdy well built Heard 23 gaff cutter from the famous Mylor Yard of Gaff & Cutters. This characterful boat is based on the 100 year old designs of the traditional Falmouth Work boats . She has a great turn of speed under sail and gives the skipper and crew a smooth stable ride as only a heavy boat of this quality can. The Heard 23 comes in three versions ,Caroline is the much sort after flush deck version. She is an excellant daysailor and weekender as well as being capable of extened cruising. Caroline is in good condition and ready to go for this summer. She has a full suite of sails including main, stay sails , 2 jibs, & Topsail.
