Remarks :

The **Jeanneau Sun Odyssey 45.2** has always been held in high regard within the Jeanneau range. Quick and sea-kindly, the SO45.2 is renowned for its excellent passage making potential.

"Papou" is a 3 cabin, 2 heads example, which offers fantastic long term storage and comfort, both above and below deck. The spacious interior is complimented by Jeanneau's trademark teak finish, which exudes warmth and luxury including many costly factory upgrades such as teak decks, extensive electronics,

bow-thruster to name but a few. Now located ashore beside our office at Preveza, Greece. viewings are certainly encouraged to appreciate the value this model represents.
