Turkish Watermaker

Water Tanks: 2 x 2000 litres

Remarks :

This beautiful steel ketch has been kept in excellent condition throughout.
She is a boat which blends style and tradition.
Spacious and comfortable with 3 double cabins and large saloon.

Current owners have reluctantly decided to sell due to work commitments.

She sails well and is easily handled by a couple. She might be an ideal proposition as a charter or dive boat.

Yacht is currently being prepared for launch and ready to sail away
