Remarks :

This Bavaria 31, Getafix is a 1999 model launched in Feb 2000. She has had three owners from new and initially cruised for approx 4 years in Holland, Northern France and the Channel Islands, only lightly used in the Solent by the second owner for a couple of months in 2005

and then ashore on Hayling Island for much of 2006 before purchased by the current owners. Since 2007 she has been sailed lightly in the Solent, providing much pleasure for a young growing family with many comfortable nights spent at anchor or marinas on the Isle of Wight, plus occasional trips to Poole and Weymouth. They found her to be an ideal first yacht, easily handled but with the comforts of heating, hot water, auto-pilot and easy reefing. The current owner regularly sails her alone from Chichester Marina where she has been kept since 2006. She is a well appointed example of this popular yacht in very good overall condition, viewing is highly recommended.

Currently ashore in Chichester Marina, West Sussex on our showground contact Simon Flowers from Network Yacht Brokers Chichester directly on 02392 637466 to view.
