Accommodation

The Verl 900 has over 6ft head room and spacious accomodation for a 30footer.
There are 5 berths two in the forward cabin, two in the main saloon and a starboard quarter berth.

Remarks :

Ceta III is the best example of a Verl 900 currently for sale in the UK. Built by Verlvale of Royston they have a excellent track record as a great sailing cruiser as well as providing good accomodation for weekends or longer holidays away.

Ceta III has been owned by one person from new who has maintained and updated her to a high standard. She has been cruised extensively along the South Coast and spent several years of her life in the South of France where she was little used.

The extensive use of teak in the interior gives her a warm quality feel.

She is lying at Bucklers Hard on the Beaulieu River the pontoon mooring has been paid up to Dec 2013 and is included in the price. The mooring could also be kept on by the new owners.
