Electrical panel

Remarks :

This is great opportunity to own a rare Knysna built Endurance 37, this endurance 37 is a fantastic boat and boasts an excellent interior layout.
This Endurance 37 has been owned by the current owner for over 5 years, she is a much loved yacht and the owner has updated when possible, she benefits from a new calorifier in 2014, refrigerator fitted in 2013, the engine has had an overhaul and is extremely reliable.

Last year the owner had the hull epoxy coated as a preventative measure, so the hull is in good shape.

Endurance boats need no explanation, they are true sea going yachts, if you are looking for a blank canvas to fit out for a once in a lifetime expedition then look no further as this

Endurance 37 is perfect for this.

Viewing recommended and offers invited!
