Remarks :

This Yarmouth 23 for sale here in Plymouth is a fantastic example, she has been in the same ownership from new and has been very well maintained.
She has been cruised around the Southwest coast and been and the owners have been active members of the Yarmouth 23 owners Association.
The hull was built in Sri Lanka and the hull was then fitted out on the Isle of Wight, these little

gaff rigged cruisers give you a taste of classics yet being built with your modern comforts, Moonriver has hot water in the galley and heads, she also has 240V shorepower for when berthed in the marina.

The Yarmouth 23 offers excellent accommodation for a boat that is just 23 feet, she has an adequate galley and a separate heads that comes with a shower. The boat sleeps up to 4 people, a double V berth forward and two single berths in the saloon, she is cosy but for a small family or a couple she is excellent for her size.

There is a genuine reason for the sale as the owners are now retiring from sailing, hence there is lots of equipment to accompany the boat such as outboard & dinghy & many more.
