REF: 14119

Mechanical:

Vessel powered by an inboard Volvo Penta 5.7 GSPEFS petrol engine producing 250hp with stern drive.

Engine has been well maintained with recent service including new pulleys, headers and exhaust manifold. The water pump was replaced at the same time. Last engine service and antifoul May 2016.

Volvo sterndrive unit with stainless steel Duo props providing excellent grip and manoeuvrability at low and high speeds. Full engine instrumentation at helm with visual and audible warnings for high temperature, oil pressure and charging. Comes with Bennet Trim tabs and power trim giving excellent balance control.

Engine housed beneath cockpit floor in a sound insulated bay allowing all round access. This space is fitted with bilge blowers and a Kidde automatic fire suppression system for safety.

12V system with bank of two, 100Ah batteries fitted with isolators. These provide domestic and engine start power and are recharged via the engine alternator when under way or the smart battery charger when attached to shore power.

Construction:

GRP constructed motor cruiser with planing hull.

White high gloss gel finish with smart green band and hull decoration.

Moulded bathing platform at stern with access door to cockpit and integral bathing ladder.

Foredeck moulded in non-slip pattern accessed via hinged access panel in windscreen.

Foredeck protected by stainless steel bow rail offering safety when anchoring or mooring.

Large self bailing cockpit with moulded non slip floor.

Comfortable, adjustable double helm position with padded leatherette seat.

Wood finished dash with full engine instrumentation.

Aft of helm is the companionable cockpit seating with table that converts to a large sunpad.

Remarks :

The Four Winns brand is synonymous with quality and this 268 Vista model is no exception. White hi-gloss GRP hull topsides with smart dark green band. Large foredeck for sunbathing accessed from cockpit. Huge bathing platform at stern with built in bathing ladder and cockpit shower. The cockpit is well arranged with large seating area aft with central dining table. Helm position with all round visibility with engine instruments, navigation aids and sporty wheel. Cockpit protected from the elements by a full camper canvas. The front, rear and side panels can be removed individually depending on the amount of ventilation required. Bimini top can remain in place regardless.

Volvo Penta 250hp inboard petrol engine fitted with a Volvo stern drive leg and stainless steel duo props. This power unit will give speeds in excess of 30 knots but will happily cruise at 20 knots all day.

Below decks has accommodation for 4 in comfort. all home comforts are provided for including heating, fridge with ice compartment, electric grill and heads with shower and marine toilet.

Boat is well presented and viewing is highly recommended.
