Remarks :

This Cox Master Marina 22 is a tough, characterful motorsailer. She has inside and outside steering positions, so on days when the weather is not so kind you are well protected. The wheelhouse/living area has full standing room and good visibility from large windows. She sleeps four in two cabins. 'Flisca' would be ideal for exploring the coastline. Available to view in Brighton Marina, call Ray Flowers to make an appointment 07525630301
