Remarks :

Bavaria 30 Cruiser for sae. This Bavaria 30 Cruiser was built in 2007. AQUAMARINE is in immaculate condition and has been well maintained throughout her ownership and lifted each year. She comes with cabin heating, two sleeping cabins, comprehensive navigation instrumentation and a regularly serviced Volvo Penta engine. Her engine was last serviced by the local Volvo agent in March 2016 when the sail drive seal was replaced and the stern drive had a full service. Because she is 'Cruiser series' she comes with the lighter interior joinery. The genoa was replaced last year and the mainsail was laundered and serviced this year when the lazy jacks and sail cover were fitted. This is an ideal boat for a couple or family who are looking to cruise in comfort.
