Remarks :

60ft De Vries Steel Trawler Yacht for sale. A beautiful and very impressive example of a traditional steel motor yacht designed by De Vries Lentch and built in 1969 by Cammenga in Holland to a very high standard. AURIGA is very original and a delightful and welcome blast from the past.

AURIGA has a striking blue painted hull, topped by white superstructure. She is a very reliable, as well as spacious boat, and has a long cruising range at 8.5 knots. She is powered by a robust Gardner 6L3B 180hp diesel engine which purrs like a pussycat!

The saloon offers a very stylish and comfortable seating area, which spills into the cockpit. Huge deck space forward, aft, and on the upper deck, and enough accommodation for 7 people to sleep aboard in 3 separate cabins plus the captains cabin. The wheelhouse and Portugese bridge give her helmsman fabulous all round views, and a sense of command

AVAILABLE TO VIEW LATE JANUARY
