

Prout Prout Snowgoose 37

Year: 1985
Location: Lefkas, Greece
LOA: 37' 0" (11.28m)
Beam: 15' 0" (4.57m)
Draft: 5' 0" (1.52m)

Remarks:

The Prout Snowgoose 37 is a classic sailboat with a well-maintained exterior. The interior appears to be in very good condition and is offered at a low asking price. Interior work includes new upholstery and fixtures. Ideal for occasional owners with a limited budget who have enjoyed the boat and want to bring her back to yacht condition.

Aft is double berth with hanging locker and shelves with lots of storage under.

Remarks :

The Prout Snowgoose 37 -To our knowledge, she is structurally sound and the exterior

appears to be in very good condition. However, the interior needs some work, which is reflected in her low asking price. Interior work includes repair or replacement of the headliner and hull linings. The double-ended hulls don't offer stern scoops and easy access swim steps. The cockpit is, at least by catamaran standards, rather compact. However, as soon as you step aboard the Snowgoose 37 you realize that it's a solid, serious boat. This yacht makes sense for potential owners with a limited budget who have the ability and desire to invest some money and a lot of time in bringing her back to yacht condition.
