Guest Shower and WC

- Electric-flush toilet
- Washbasin equipped with hot and cold mixer tap
- Holders for toothbrush, mug, and towels

Remarks :

Princess 56 Flybridge: This beautifully designed flybridge yacht has a truly spacious saloon and its spectacular open plan layout creates a breathtaking full-length vista from the teak decked cockpit. In true Princess style, the deep V hull of the 56 is designed for smooth, fast passage making and excellent handling in the most challenging conditions.

She is mechanically sound and used by the owners very recently. The interior cosmetically needs some refurbishment and the price more than reflects this.
