Remarks :

The perfect balance between seaworthy qualities and quality of life on board, that is the promise of a Sun Odyssey. These high-performance and easy-to-handle sailboats are also very safe while under way. The raised coaming in the cockpit is reassuring, even when heeled, and recessed sidedecks facilitate movement on board. The interior of a Sun Odyssey features a pure, contemporary aesthetic with a warm atmosphere and a surprising feeling of spaciousness, owing to the standing headroom, modular layouts, vast storage, and bright, comfortable cabins.
