Mechanical and Rigging

The vessel is equipped with two powerful Volvo Penta IPS-600 that combined produce 870hp. They both have roughly 600 hours. The port engine has been completely changed in 2023. The boat doesn't feature bow or stern thrusters but has a Volvo joystick system to help for every manoeuvre. The last oil change and maintenance were made in 2024. The cruising speed is 20 knots, while the maximum one is 30 knots

Accommodation

The interior of the 447 Sedan showcases a masterful use of space and premium materials, creating an atmosphere of understated luxury. Upon entering the main salon, guests are greeted by an open-plan living area, bathed in natural light from large, panoramic windows. Rich teak finishes, plush furnishings, and well-placed lighting create a warm and inviting ambience. The salon seamlessly connects to the galley and dining area, ensuring that the yacht's social spaces are functional and stylish. The kitchen is equipped with induction cookers, a microwave oven, 3 fridges and 1 freezer. The height inside can reach up to 2,10 metres. The vessel has air conditioning and a new Fusion Subwoofer Stereo with 11 speakers all over the boat.

The 447 Sedan offers accommodations for 4 people in 2 large double cabins. The full-beam master stateroom is a standout feature, providing a private retreat complete with a queen-sized berth, abundant storage, and an en-suite bathroom with a separate shower. The forward VIP stateroom is equally impressive, offering a comfortable double berth and access to the shared second bathroom. High-quality fixtures, luxurious fabrics, and thoughtful details in these living spaces underscore the yacht's commitment to comfort and elegance.

Remarks :

The Cruisers Yachts 447 Sedan is a sophisticated and meticulously crafted luxury motor yacht designed for enthusiasts who seek a harmonious blend of style, comfort, and reliable performance on the water. As a standout model in its class, this yacht boasts elegant lines,

a spacious interior, and thoughtful features tailored for leisure cruising and extended voyages. With its modern design and robust construction, the 447 Sedan represents a perfect balance of aesthetic appeal and practical functionality, making it an enduring choice for boaters who value both luxury and versatility.

Built to maximise space and comfort, the 447 Sedan features a sleek, contemporary profile that exudes timeless elegance. Its wide beam and deep-V hull are engineered to provide superior stability and smooth handling in diverse water conditions, whether navigating coastal waters or venturing further afield. The yacht's flybridge—a defining feature—elevates the experience with its commanding views, plush seating, and sophisticated helm station. Protected by a hardtop and often featuring an enclosure, this area is ideal for piloting and entertaining, offering a wet bar, ample lounge space, and a sense of openness that enhances the onboard experience.

The exterior is equally inviting. A spacious foredeck designed for sunbathing or relaxing with friends is complemented by an aft deck that serves as a versatile transition space. From here, a moulded staircase provides easy access to the flybridge, while the extended swim platform offers convenient water access for swimming or launching water toys. The yacht's deck layout is designed with seamless movement and safety in mind, ensuring every corner of the vessel is accessible and usable.
