This new model perfectly represents the DB Yachts line, upholding the core principles that made the DB/43 a success. The deck plan privileges exterior space and easy movement on board, and while at anchor, side terraces can extend the cockpit toward the sea.

The interior of the DB/37 fulfils all the promises of the DB Yachts line, with refined touches, fine materials, thoughtful details, and a warm atmosphere, all enhanced by natural lighting diffused through vast windows in the hull.

She comes equipped with Twin Volvo D4-320 Diesel inboard engines and a high specification which includes a bow thruster, automatic zipwake trim tabs, Fusion stereo system, upgraded Raymarine electronics pack and more.

Available for Spring she has a fantastic specification which will include full synthetic teak decking. There is also the scope to add plenty of further options shall you wish to do so.
