Master Cabin:

There is a large 2m long island berth double in the master, forward cabin that also has a large storage under the berth. This cabin also has the upgraded storage lockers overhead.

This cabin has a large amount of light coming in from the long sea vision inspired portholes and the deck hatch which allows for ventilation. There is extra overhead storage lockers fitted and has a hanging wardrobe on the Portside.

This cabin also has ambient, indirect LED lighting as part of the Premier pack.

Second Cabin:

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light and incorporates a seat. Under the berth is additional storage as well as a hanging cupboard.

Heads Compartment:

Marine Head with holding tank
Sink
Shower

Warm air diesel heating throughout

Remarks :

***** Part exchange considered *****

This is a unique opportunity to purchase a one owner from new lightly used Series 2 Merry Fisher 895. Only coming to market due to owner upgrading to a larger Jeanneau. This is one of the highest spec'd 2024 MF895 S2 in the country and benefits from a substantial saving against the new price. Commissioned and handed over by us in November 2024 she has been berthed in Chichester Harbour and still benefits from the majority of her 7 year hull, 5 year engines & 3 year general.

The huge specification includes twin Yamaha F250 HP engines in the upgraded white finish, Joystick control, Leatherette upholstery, Evo-Deck synthetic decking, Auto Zipwakes, Diesel heating, carpets, 12 inch plotter and much more...

The Merry Fisher 895 Series 2 reinterprets all the strengths that have made the Merry Fisher a worldwide success: modular spaces, safe, easy movement on board for the whole family, and surprising accommodations for a boat of 8 metres, with two separate cabins, a spacious head compartment, and the ability to cruise with six people on board, owing to the saloon, which transforms into a double berth.

This new version integrates an elongated line, inspired by larger models of the new generation. Contemporary windows in the hull and the coach roof, with its distinctive design, integrate seamlessly into a powerful, sporty silhouette. The new hull enables planing from 20 knots, ensuring comfort and manoeuvrability.

Early viewing is recommended, please call 01243 550042.
