Remarks :

"Wynn" is a Victoria 30 cruising yacht in excellent condition having been well maintained by current & previous owners.

She was built in 1991/92 and is currently in co-ownership with two owners, one of whom has taken care of her for the last 28 years. She has been constantly maintained and upgraded throughout this time and is in excellent condition for her age throughout. The most recent upgrades include new standing rigging (2024), new mainsail cover and lazy jack system (2024), new diesel cabin heater (2024), new furling 127% Genoa (2023), new 4 man canister life raft (2023) and a new spray hood (2022).

A full survey was carried out in 2023 with only a few minor issues noted, all of which have been attended to. She has the original Volvo 2002 diesel engine (3,800hrs) which has been

owner maintained and, apart from requiring a water pump refurb. in 2021, has given no other problems. She is currently lying afloat in Chichester Marina.
