"Childish," a 2003 SeaRay 275 Sundancer, offers a balance of comfort, style, and practical features, making her suitable for both day trips and extended stays. Powered by a Mercruiser 5.0 MPI engine, she is well-suited for coastal cruising and occasional longer outings. The teak-laid cockpit and swim platform provide a refined touch, while features like the electric windlass and trim tabs make handling straightforward and efficient.

Her cockpit is designed for both relaxation and functionality, it comes equipped with a camper canvas package for weather protection. The helm is equipped with a GPS plotter and depth gauge, offering key navigation tools for cruising in various conditions.

Below deck, "Childish" features a bright and comfortable cabin with an aft double berth and a convertible V-berth, ideal for small families or couples. The galley is compact but practical, equipped with a stove, fridge, sink, and microwave, making meal preparation onboard convenient. The head includes a VacuFlush toilet, shower, and sink, offering added comfort for extended stays. The light cream upholstery and LCD TV create a welcoming and relaxed atmosphere.

Overall, "Childish" is a capable cruiser, offering a good balance of amenities for those looking to enjoy time on the water, whether for short day trips or overnight stays.
