Remarks :

The Cork 1720 racing boat is a classic fiberglass sloop sailboat designed and built by the renowned boat builders at the Cork Boat Company. With its lightweight construction and powerful sail plan, the Cork 1720 is a popular choice for competitive sailboat racing. The boat is equipped with a full-length keel, a spinnaker pole, and a deep cockpit for comfortable crew seating.

The boat is also able to be raced with a single-handed crew, making it a great choice for those who wish to race solo. The boat's waterlines have been designed to give it good performance in all types of conditions, and its hefty displacement ensures stability even in choppy waters. With its reputation as a fast and agile boat, the Cork 1720 is a popular choice for competitive racing and is a frequent sight in yacht clubs and regattas around the world.
