Imagine yourself cruising the open seas in your own exclusive custom-built Jeanneau 55 Yacht, a magnificent sailing yacht with a perfect combination of luxury, performance, and comfort.

This specific Jeanneau 55 Yacht is currently under construction and is available for for delivery in 2024. With its sleek design, spacious interiors, and powerful performance, this yacht is sure to turn heads wherever you go.

Customizable to Your Every Desire

With a custom-built Jeanneau 55 Yacht, you can choose every detail of the yacht, from the layout to the finishes. You can choose the perfect configuration for your needs, whether you're looking for a yacht for family cruising, a group of friends, or even chartering.

The Ultimate Sailing Experience

The Jeanneau Yacht 55 is known for its excellent sailing performance, luxurious interior, and spacious cockpit.

The yacht's luxurious interior features a spacious owner's suite that occupies fully

two-thirds of the interior, two cabins with private bathrooms, and a large saloon with a comfortable seating area. The cockpit is spacious and features a protected navigation station and exterior saloon. The full-width sundeck at the aft end is the perfect place to relax and sunbathe.
