Remarks :

The Beneteau Oceanis 393 is a spacious 39' passage-maker featuring many of the design and aesthetic elements as the Beneteau 473, which won the Cruising World's Best Production Cruiser award for 2001.

The 393 was the first totally new model to be built at Beneteau's expanded facility in Marion, S.C. She is a sleek and sophisticated cruiser incorporating a voluminous interior filled with an abundance of light and ventilation. Berth available subject to contract with the Marina.
