Fridge  
Storage  
Chart table

Remarks :

### **2002 Lagoon 380 Owners Version**

Fantastic opportunity to own a pedigree catamaran

Lay in Milford Haven, Pembrokeshire. TopCat is offered for sale under brokerage from a fantastic central location.

She is the popular owner's version, giving the entire starboard hull exclusively for the owners. Private master double cabin, dressing table and heads with separate shower. Her port hull incorporates two double cabins, with a shared heads located between. Her saloon is enormous, and undoubtedly the heart of the boat. Her huge, curved seating area, and large dining table is a wonderful space to relax and entertain. Opposite is her galley, with recently fitted Corian working surfaces, double sink, gas hob, grill and oven. Storage is plentiful, and her fridge is full sized. Chart table is positioned to port, a good size and excellent viability around the boat.

On deck, we find another enormous seating area, surrounding a removable hard wood

table. Removable cushions make this area very comfortable.  
Port side of the cockpit houses the elevated helm position, with steering and engine controls. Fabulous visibility, and potential for upgrades.  
Above the cockpit is the Bimini framework, built in stainless steel.

Moving forward is excellent deck access, with hatch storage spaces. A trampoline on the bow, and easy access to the coach roof and mast step.

Astern, we find large davits housing the RIB. Above these are three large solar panels. Steps down to the extreme stern of the boat, and spacious access to the Yanmar engines under a lift up hatch.

TopCat has been extensively sailed by her current owners, and sadly offered for sale to facilitate a change in their circumstances.

Priced competitively, she offers a lot of boat for the money, capable of serious blue water and Atlantic sailing. See her inventory, and sales details for further information.

Viewings available, please contact our office for more information or to book in.
