The 2006 Jeanneau Merry Fisher 805 is a versatile and well-regarded motor cruiser, ideal for both coastal cruising and fishing. Known for its practicality, comfort, and reliability, this model has been a popular choice for those seeking a balance between leisure and performance on the water.

Remarks :

The 2006 Jeanneau Merry Fisher 805 is a versatile and seaworthy motor cruiser designed for those who enjoy both coastal cruising and fishing. Built by the renowned French manufacturer Jeanneau, this model exemplifies the brand's commitment to quality craftsmanship, innovative design, and practical functionality.

Design and Exterior:

The Merry Fisher 805 features a robust semi-displacement hull, which ensures excellent stability and performance in a variety of sea conditions. The exterior design is practical yet stylish, with a spacious cockpit that caters to both relaxation and fishing activities. The boat's lines are clean and purposeful, with large windows that provide excellent visibility from the interior and contribute to the overall sense of space and openness.

Cockpit and Deck:

The cockpit of the 805 is generous in size, offering ample space for fishing, lounging, or entertaining. It includes a cockpit table, rod holders, and easy access to the swim platform, making it ideal for those who enjoy watersports or need quick access to the water. The wide side decks and sturdy handrails ensure safe movement around the boat, while the electric windlass makes anchoring effortless.

Interior Layout:

The interior of the Merry Fisher 805 is designed to maximize comfort and practicality. The main saloon is bright and airy, thanks to the large windows and well-thought-out layout. The helm station is located on the starboard side and is equipped with comprehensive instrumentation for ease of navigation. The seating area includes a dinette that can be converted into an additional berth, providing flexible accommodation options.

Accommodations:

The boat comfortably sleeps up to four people. The forward cabin features a V-berth, providing a cozy sleeping area for two, while the convertible saloon offers additional sleeping space. The interior is finished with high-quality materials, and there is ample storage throughout, ensuring a comfortable stay onboard during longer trips.

Galley and Heads:

The galley is compact yet functional, with a stove, sink, and refrigerator, making it easy to prepare meals while at sea. The heads compartment is equipped with a marine toilet, sink, and shower, ensuring all the necessary amenities for extended cruising.

Additional Features:

The 805 is equipped with several modern conveniences, including a bow thruster for easy maneuvering, a swim ladder for water access, and various storage options for fishing gear and other equipment.

Summary:

The 2006 Jeanneau Merry Fisher 805 is a well-rounded motor cruiser that offers a blend of comfort, practicality, and performance. Whether used for day trips, weekend getaways, or serious fishing expeditions, this boat is designed to meet the needs of a wide range of boating enthusiasts, providing a reliable and enjoyable experience on the water.
