Accommodation

Manufacturers Description

The New SEGUE 58 Sport HT combines sporty design with large interior volume worthy of a flybridge boat. From the cockpit we obtain beautiful exterior views due to its enormous glass surface, its large electric opening roof will make us feel the sporty navigation that this boat generates for the owner. Like all SEGUE boats, the attention to detail and the quality of the finishes throughout its interior are top notch, highest quality of the Segue brand standards

Remarks :
