### **Construction:**

Built in 2020 by Nautitech Catamarans (France), this catamaran boasts a GRP hull and deck designed by Marc Lombard. It features dual stub keels and a mainfurl in-boom furling system. The deck and flybridge are finished with Flexiteek synthetic teak, complemented by teak seats on the port and starboard pulpits and teak steps leading to the deck and flybridge. A hydraulic-powered Tenderlift enhances its functionality, along with a large sliding door and window combination for spacious, comfortable offshore cruising.

### **Brokers' Remarks:**

This custom Nautitech 54 Fly catamaran, meticulously maintained and equipped, offers unparalleled luxury and performance for blue-water cruising. Its design and amenities make it ideal for comfortable, long-term offshore adventures. A long-term berth lease and

professional management package are also available.
