Defogger

The Jeanneau MF695 is a versatile boat as she can be transported and launched off a trailer. CE category C for 8

Accommodation

The MF695 is an adaptable pilot house style boat which works well in UK conditions, as come rain or shine you can enjoy your time afloat. The solid-state aft doors provide a draft free interior as well as a lock and leave capacity with far less maintenance than a canvas backed alternative. There is also opening windows on both sides of the saloon in addition to which is an opening roof hatch which allows for lots of ventilation when the weather is good to "open" the boat up.

On the Portside is the saloon table with a clever co-poit seat that can be aft facing to be part of the table seating or pivoted forward to be a co-pilot seat to be fully engaged when underway. The helm seat is situated on the starboard side with the galley located behind which accommodates a sink and gas burner, essential for a cup of tea!

Further forward the marine heads/toilet have there own compartment with door and sink. There is a sleeping area which can accommodate two people which runs along the hull on the Port side forward. Two further berths are available in the convertible cockpit, Wheelhouse interior curtains.

Remarks :

This **New** Jeanneau Merry Fisher 695 Series 2 is a versatile and family-friendly cruiser, Ideal for day trips and weekend adventures. Jeanneau Designed with a stable hull and a powerful engine, it offers smooth handling and great performance on both inland and coastal waters.
