Accommodation

The forward cabin with double V berth, good storage, and shelving, hanging locker and opening roof hatch. A door leads through to the saloon with bench settees to port and starboard (with lee cloths), central dining table with storage and drop leaves. Port settee can be converted to a double berth with the infill cushion.

Aft facing chart table to starboard and aft of this, the heads compartment. L shaped galley to port, door to the aft cabin to port past the galley. This cabin has a double berth, good storage, a hanging locker and an opening roof hatch to the cockpit. Hull portlights, stern portlight and opening portlights to the deck and to the cockpit give this cabin a spacious feel.

In the saloon, two opening roof hatches, two fixed skylights, two fixed portlights and two hull portlights add to the light and airy feel. There are blinds to all the hatches and portlights. Central companionway with hinged engine access, leads to the well designed cockpit.
