Mirror
Lockers
Door to forward cabin and saloon

Remarks :

This Hanse 350, commissioned in 2008, is lying in Croatia. Her private owner bought her from new and has been carefully taking care of her. Indeed, she is in excellent condition and has never been chartered.

The saloon has a convertible sofa creating two further berths and a small chart table. She has two double cabins - forward and aft. The marine head on the port side. She can comfortably accommodate 6 people and has seating for 8.

Low engine hours (only 500), and single ownership since new makes this particular Hanse 350 stand out as a great opportunity. Her condition is above others currently available on the market. The owner states that there are no any defects or damages.

We strongly recommended taking a look at this boat. Please contact us to arrange a viewing or for more information.
